

Good News for our Chapter!

In the past few weeks our chapter has received really good news. Our Yearbook, produced by Eileen Debo, has been awarded the “Early Bird Award” and also the “Exemplary Yearbook Award.” Thanks to Eileen for all of her hard work!

Our Annie Award application has been completed and submitted ahead of schedule. Thanks to Marian Mannix and her program committee for all of the wonderful programs this year and for their work on the Annie application.

Two of our members have received word that they have been invited to serve on state committees for the Texas State Organization. Their duties will begin with the state’s new biennium which begins July 1. Susan Barrow has been named to the Communication & Publicity Committee and Mary Widmier has been named to the Programs & Service Projects Committee. Congratulations to both Susan and Mary for this recognition.

February Meeting Update

Our February meeting at Safari Legends was not only a fun event but was also a very productive meeting. Following a tour of Safari Legends which offered great photo opportunities, we formally adopted revisions to our Chapter Rules. Thanks to you, our faithful members, our chapter has sent a \$100 donation to the DKG World Fellowship fund. Thanks to Dottie Willner and Gayle Cunningham for a creative and informative review of World Fellowship. We also completed plans for the DKG Week of Caring activities and gave everyone information on Achievement Award Nominations, Grant-in-Aid applications, deadline for member Scholarship applications, Founders' Day Banquet, and this year's Texas State Annual Convention. Loweta also reminded everyone to submit their \$20 donation for this year's fund-raising project if they have not already done so.
