President's Message

By: Roni Jo Frazier

Hello Sisters!

I am delighted to write this as my very first article as the Lambda Delta Chapter. I have enjoyed every single minute since July that I have been able to work in the capacity of the chapter President. I started with attending the International Conference in Austin. What an amazing experience this was. I must say that I will forever remember the moment when they carried in all the flags from all the countries where DKG has members. It was a true testament that just one person can really make a difference in this world when they put their mind to it. Also at the conference, I spent a long five days voting. I was able to vote on all the proposed amendments to the constitution and the standing rules that govern us through the international organization. The name change was one of the first amendments we voted on. It took two days to actually get to the vote as many people made amendments to the amendments, but we finally did and as you know we voted to not change the name. It was a privilege and honor to represent our chapter through these events and look forward to attending the international conference again in two years.

This year the executive board is thrilled to bring you a year full of fun, fundraising and opportunities to fellowship with one another. As well, our plan for community projects this year will focus on us supporting the teachers here in our very own district. We plan to do a teacher "shower" each month, sponsor a school that does not have an active PTO/PTA with a teacher appreciation event, and collect books for early educators. We will have more detailed information about all of these events in this newsletter, on facebook and through email.

Finally, I mailed everyone a postcard to the address we had on file and sent an email. If you did not receive the email or post card please reach out to us so we can get updated information from you. If you know of a fellow sister that has not been getting our communications, please reach out to her and invite her to the first meeting. Again, I am truly excited to serve as your President and look forward to an amazing year.

Projects!!

Each month we will be collecting for Teacher Showers, Treats for Teachers, and Books for Early Career Educators.

Teacher Shower:

Teacher Basket to "shower" a new HISD educator
Please bring school supplies to help fill a basket
to deliver to a new teacher in Humble ISD. A note
will be placed in the basket with DKG information.
These names are from the New Teacher Orientation.

Treats for Teachers:

Bring treats to fill a basket for schools that don't
have a PTO or PTA to support them. We want
them to know that we care and we support them.
We will be sure they know who/why we are giving
them a basket of treats. I already have a list of schools.

BOOKS FOR EARLY CAREER EDUCATORS!

BOOKS for SCHOOLS 📖📖📖

Lambda Delta will once again collect new and gently-used books for
needy elementary schools and Early Career Teachers. Bring them in
each month. (There will also be an envelope if you want to give
Marian some money to shop for used books in very good condition.)

BOOKS FOR EARLY CAREER EDUCATORS!

Books Collected A Huge Success!

The Lambda Delta Chapter of DKG, Delta Kappa Gamma Society International of active and retired women educators successfully collected children's books for early career teachers to supplement classroom reading centers and school libraries. The Book Project Committee for the past four years donated more than 2,000 children's books!

What a delight it was to experience the fabulous reception in each school by the librarians, teachers and children! Children were seen immediately examining the donations, selecting a book, fanning the pages, pausing to admire pictures, and hugging a book to take home! With a smile their Librarian reminded them to wait in line to check out their selection. The long line formed immediately!

Many thanks to all who donated books and dollars to buy additional books for our donations!
