President's Message

By: Roni Jo Frazier

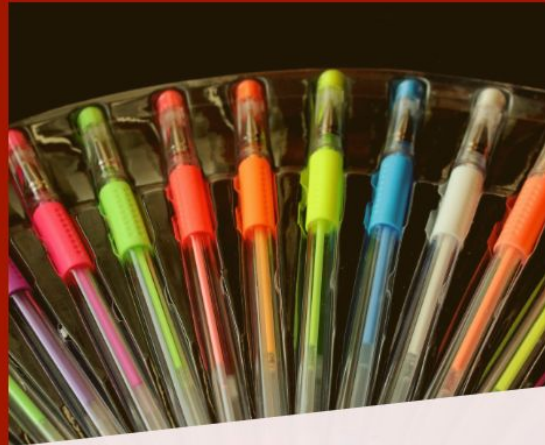

Dear Sisters,

I am so excited to be writing my first newsletter article for you this 2020/2021 school year. This school year proves to be one that is like no other and I am excited that we are in this together. Humble ISD has begun school and students are already going back in person and online to learn, socialize and grow as individuals. We are educators, both currently working and retired know the hard work it takes to get a school year up and running and I am so proud to be a part of an organization like this one that really supports and promotes women educators. Those who have never been teachers will never know the truly enormous task the start of the school year is for each teacher and this group has some of the best in this area. So, thank you for doing all that you are doing right now during the start of this very trying school year. Your work and dedication are not unnoticed!

Our newly instated Board of Directors met in August to begin planning out what Lambda Delta will look like for this school year. As you can imagine we will need to do things much differently due to COVID 19. We have decided to do all our meetings through November via Zoom. While we miss seeing everyone in person, we felt it best to do this through November. We also decided that once we do get to meet again in person we will continue to offer a Zoom link so those members who can not attend in person can still log in and attend the meeting from their own personal space. Please do not be afraid of Zoom or attending virtually, it is extremely easy! I can provide you support if you need it, just reach out to me.

As a board, we also decided that our holiday market would need to be moved to spring. We are hoping that by spring we will be able to hold a market much like the one did in the fall and raise the money we need for scholarships. We will be watching the COVID cases and recommendations before we make this decision. As well, we have not decided if we will have a Christmas party or not quite yet, but we did decide to move new member inductions to the spring. This will allow us to have the opportunity to conduct the inductions in person (fingers crossed) and new members will only pay for the next year of membership. This is a big change from our typical way, but overall, we think it will work out well for both the new members and the current members nominating them.

Your board is working hard to make sure each member of this organization is staying connected and feeling supported. Be on the lookout for a surprise in your yard over the next month! We are excited for what this year holds and encouraged by your dedication and commitment to your fellow educators.

**SCHOOL SUPPLY DRIVE
FOR 1ST YEAR TEACHERS!**

**BRING SCHOOL SUPPLIES TO EACH
MEETING TO BE DONATED TO 1ST YEAR TEACHERS.**

Sp Adobe Spark

Due to COVID 19 we will have a drop off location for supplies. You may drop off at Bloom Consulting Offices 8810 Will Clayton Pkwy, Suite E, Humble TX 77338.

We need books!
Collecting new
and like new books
for early educators!

**Please bring them to
the next Meeting**
