President's Message

Happy Fall Sisters!

I am so excited about this cooler weather. The cool weather has always made me feel so happy as I truly love the fall. I am even more excited about the wonderful Lambda Delta year we have ahead of us. We are turning 40 this year! I know most of us wish we ourselves were just 40! Our chapters has been active for 40 years and this is something amazing to celebrate. Derry Summer has an amazing year full of great programs and projects this year as well as fun and celebrations. I hope in the next few months you can make an effort to be at the meetings and events so we can all celebrate together. The last 40 years have been so successful because of members like you and we need you and want to see you at the meetings! This year the board made the meetings on different days of the weeks in hopes to get more members to attend and I hope this change provides you with an opportunity to attend a few of them this year. If you can not attend the meetings, I hope you can attend some of the amazingly fun activities we have coming up.

Our biggest fundraiser of the year is just coming up quickly. Our Holiday Market is scheduled for November 9th. This year we will host this event in the parking lot of the Lake Houston Church of the Nazarene on 1960 in Atascocita. They have graciously allowed us to use their parking lot and restrooms for this event. We should be able to get a lot of visibility in this location and hope to draw a large crowd. We are still looking for vendors to have booths at this event. They can find more information on our webpage and Facebook. We also need you! We need volunteers for the day to help with the overall event, our garage sale booth and snack booth. Please see recent emails with more information on how you can participate in this event.

Please continue to read through the newsletter for information on all the other wonderfully fun things we have planned! I hope to see you soon and wish you the best.
