President's Message

Happy Holidays Sister!

I am just in disbelief that December is here already and moving at lightning speed. As we get ready to spend this super busy month with family and friends, I wanted to take a minute and tell each of you how very thankful I am for Delta Kappa Gamma and Lambda Delta. When I found this organization four years ago, I had no idea the impact it would make on me and my life. Now, four years later, I am a better person, a better educator and a better leader. I am so grateful to each of you who have had a part in my mentorship and membership in this organization. In a time where you can find a lot of hate in this world, our chapter and organization provides just the opposite with warm welcoming arms and smiles. I will forever be grateful for this and you!

As we embark into a new year, I challenge each of you to be the member you want to be. Be active! Be present! Be a leader! Be anything you want to be. We have amazing work to do and we cannot do it without you! As we begin to look for new chapter leaders, I hope each of you search inside of you and find your enternal leader spirit and step up to become a visionary for our amazing chapter, Lambda Delta. I promise you will NOT have to do it alone.

I hope to see more of each of you in 2020 and look forward to an exciting new year!
