President's Message

By: Roni Jo Frazier

Hello Fellow Sisters!

Well the month of January took forever and now February is gone with a blink of an eye. I am not sure how this happens or why it feels that way but man is it hard to keep up! We have a very exciting spring ahead of us for Lambda Delta. We are officially 40 years old and have an amazing new pathway to make for our chapter!

We are currently looking for our next President. What an amazing honor it is to be the President of this chapter and I am super excited to mentor the next lady who steps up into this role. Are you thinking about it for yourself? Not sure but have some questions? Please don't hesitate to reach out and contact me so we can talk about how you can use your leadership skills to move our chapter to the next level. It is truly an experience you will NOT regret! And don't worry, there are a ton of amazing members here to support you!

We have dates for all the fun spring activities listed below so please be sure to check them out and mark your calendars. We look forward to seeing you during these fun activities and working together to learn new and exciting skills.

Finally, next month, March, is our final meeting of the year. We will have founder's day banquet and our end of the year party, but March is the last actual meeting. Please please plan to attend, bring school supplies for early educators and books. This will be the last time to donate to both of our projects for the year.
