APRIL/MAY 2023

LAMBDA DELTA CHAPTER, #268

VOLUME 43, ISSUE 4

AREA 18: KINGWOOD/HUMBLE

Wonder Women,

I can't believe we are entering April and May. The end of this school year is coming and it's time for graduations, new adventures, and rest. This is also a time for reflection. It's been an incredible year working with so many wonderful Lambda Delta ladies, but I want you to know, that so many of you were missed. I hope you can make it to the Founder's Day Banquet and the Induction meeting in May. Spend some time reflecting on this past year. Ask yourself a few questions.

1. What skills did I gain?
2. What challenges did I overcome?
3. What did I learn about myself?
4. Who has had the biggest impact on my presidential journey?
5. What has energized me?
6. What has drained me?
7. How did I cultivate relationships?
8. What am I thankful for?

Reflecting on how far we've come helps us prepare for the journey ahead. Pat yourselves on the back because you adapted, grew — and made it through the year! It's easy to get lost in the hustle and bustle of our daily lives, but regular self-reflection really helps me stay grounded and on track with my goals! Looking forward to seeing you in April and May!

Quinn
