PRESIDENT'S MESSAGE

Hello Sisters!

Today I write my last newsletter article as your President! It is hard to believe it has been 4 years – and what 4 years it has been. We have been through so much together and I am forever thankful for Delta Kappa Gamma and even more Lambda Delta and the sisters who have supported me through these past 4 years. I have learned so much from all of you and become a better person.

Over the last four years, we as a collective group have made some amazing accomplishments in our chapter and I would like to highlight those here. Now my memory is not what it used to be, so I am sure I am forgetting something so please don't be offended if I miss something you took part in and I did not mention it!

1. We started accepting electronic forms for payment!!
2. We began giving a chapter membership scholarship
3. We provided high school senior scholarships all 4 years – even during the pandemic
4. We held our very first virtual meeting
5. We hosted three very successful markets – 2 winter and 1 spring market
6. We held very successful Poinsettias sales – 3 years in a row making a good profit for our scholarship fund
7. We held our very first hybrid – in-person and virtual meeting
8. We published over 20 newsletters
9. We updated and published a new yearbook each year
10. We inducted new members each year – even during the pandemic
11. We increased our membership numbers!!
12. We hosted a founder's day banquet
13. We had representation on the GHACC board of directors
14. We presented at the State Convention
15. We redid our webpage and made it more user friendly
16. We updated our website each year
17. We received certification from DKG for our website
18. We received the newsletter award each year for the last 4 years
19. We had monthly meetings each month – even during the pandemic
20. We have elected a new slate of officers

Whew! This seems like so much and I am sure I have forgotten many many amazing things we have done. I am so happy to have had this time with you and I look forward to many more years in Lambda Delta.

I humbly sign off as your President with a grateful heart.

Kind Regards,
Roni Jo Frazier

2022-2023 Dues

Dues for 2022-2023. Dues for the next year are due as soon as possible. Following the success of our fundraisers, we have decided to reduce the dues to \$85. The additional \$15 was applied a few years ago instead of having chapter members sell a fundraising item such as candles. We currently have a healthy balance to support our grants-in-aid and scholarship funds so it seems fitting to reduce our dues at least for the coming year.

Dues can be paid in three ways:

Mail a check payable to Lambda Delta to me at 5902 Rapid Creek Ct, Kingwood, TX 77345

PayPal lambdadelatreasurer@gmail.com. (Please note we are friends and not a business so we do not have to pay the fee)

Credit card by calling me on 281-536-0465

I really appreciate everyone taking care of this as soon as possible. Dues need to be paid to International by June 30th.!

Student Grant Award Recipient

The 2022 winner of the Lambda Delta Student Grant is Caleb Seely. Caleb is a senior who is graduating from Kingwood High School and has also already completed 24 credit hours at Lone Star College. On hearing of this award Caleb sent us the following message:

"I wanted to follow up and thank you for choosing me for the Lambda Delta Student Scholarship! I plan on attending Stephen F. Austin State University this fall. I will be majoring in Music Education to become a band director for middle school and high school. I look forward to what God has in store for my life and all of the connections I will make along the way. I would like to thank you all for your careful consideration. This scholarship will not be wasted!
