# Week of Caring

Members of our Lambda Delta chapter will be participating in the DKG Week of Caring scheduled for the week of March 3-9, 2013. The vision for the week of caring is for each chapter to select a project or projects to help in their communities. After discussion at our January meeting it was decided that Lambda Delta members would participate in one of the following projects: 1) Volunteer reading to children OR 2) Sharing baked goods and snacks with teachers in faculty workrooms. We will report our projects with the Alpha State Personal Growth and Services Committee who will be collecting the information and sharing its report at the annual state convention in June. Remember to contact schools to let them know you are part of the "Week of Caring" and would like to visit their school.

Members signed up for one of the projects at our January meeting but more volunteers are needed and you are invited to join one or both of the projects. A list of participants is being sent along with this newsletter. To add your name to our list of participants please email Mary Widmier at <u>mary.widmier@yahoo.com</u>

# **"LAUGH YOUR STRESS AWAY'**

The **January meeting** was packed with an interesting list of items on the agenda. The Program Committee scheduled our guest speaker, **Danielle Schaaf**, author, humorist, speaker, and newspaper columnist who graciously began our meeting with vignettes in the daily life of **Contessa**, her alter-ego! Her delightful portrayal of Contessa and the Contessa's family are convincingly realistic. Soon, one begins to wonder, "Hmmmm, is this Danielle's family?" **However, Danielle assures the audience it is her alter-ego, The Contessa!** Danielle is available to serve as a guest speaker/emcee, etc. or conduct a "Corkin' With Contessa" comedy show. She works with organizations that host fund-raising events such as galas, fashion shows, luncheons, and other special events so if you are involved in other organizations in the area you can contact her at <u>dschaaf@embarqmail.com</u>

### ANNIE, ANNIE, WHERE OH WHERE HAVE YOU BEEN?

Be sure to develop a print of yourself and Annie and bring it to our **February meeting.** If you and **ANNIE** have not been anywhere special, then bring her to the meeting on February for great picture taking of far away places! **We want pictures of you and our "Traveling Annie."** It will be fun to illustrate in pictorial form our **activities and places** we have visited with Annie. **Marian will collect your photos with Annie and also take pictures during the February meeting.** 

# HAAM DONATIONS DELIVERED

A trunk-load of food items were delivered to the HAAM location in Humble. The warehouse was busy with at least a dozen volunteers busily separating and boxing foods for the needy. Also, there were several ladies, leaving with food for their families. Then I silently, thanked Lambda Delta for the generosity of its members. Now I give to you all, a big shout-out with a smile, "THANK YOU!" From Marian, representing the Program Committee: Joyce, Nell, Kaye, Derry, Carol S.

Annie went to HAAM to help.
